
CarDD DATASET LICENSING

The CarDD dataset is the sole property of the PIC Lab at the Chinese Academy of Sciences (CAS) and is protected by copyright. The dataset shall remain the exclusive property of the PIC Lab. The user acquires no ownership, rights, or title of any kind in all or any parts of the dataset.

Conditions of the CarDD dataset License are summarized as follows:

- The CarDD dataset can be used for statistical and scientific research purposes. Research uses of this database are encouraged. But the user must first obtain prior consent from the PIC Lab.
- Any commercial use of the dataset should be authorized by the PIC Lab first. Commercial use includes, but is not limited to: testing commercial systems, using screenshots of subjects from the dataset in advertisements, selling data or broadcasting the dataset, and making any commercial use of the dataset.
- The user shall not, transfer in anyway, permanently or temporarily, distribute or broadcast all or part of the dataset to third parties without prior authorization of the PIC Lab.
- Any books, articles, conference papers, dissertations, reports, or other publications employing data obtained from the CarDD dataset should cite our paper:
